- A single pyramid is built with 2,300,000 blocks, each weighing an average of two and a half tones. The Cheops Pyramid is more interesting, because its interior burial chambers are open for inspection

by the public. Not far from the Pyramids is the Great Sphinx of Giza, which dates from the time of Chephren (2620 BC). Hewn from natural yellowish limestone and standing 65 feet-high and 187 feet-long, this unforgettable statue combines the head of a Pharaoh with a lion's body.

- Lunch at Indian Restaurant.
- After lunch, visit to the Egyptian Museum for another tour.
- Egyptian Museum was established by the Egyptian government in 1835. The present museum building was built in 1900, in the new classical style by the French architect Marcel Dourgnon. The museum exhibited collections now exceed 120,000 objects ranges from pre historic era to the Greco Roman period. It has 107 halls, and the ground floor houses huge statues. The upper floor houses small statues, jewels, Tutankhamen treasures and the mummies. The museum also comprises of a photography section and large library. A hall for the Royal Mummies was opened at the museum, housing eleven kings and queens.

- After the visit of the museum a short drive through the downtown will take you to Khan El Khalili bazaars; which is one of the most famous worldwide with its amazing narrow alleyways.
- Dinner at local Indian Restaurant.

Day 3:- Full Day Alexandria City Tour.

(Breakfast, Lunch & Dinner)

- Today After breakfast, drive to Alexandria and start with a guided tour to visit the Roman Amphitheater, Bombay's' pillars, the Catacombs & outside photostop at Qait Bay Citadel.
- Pompeii Column and Kom el-Shuqafa Catacombs Thirty meters high and built from Aswan pink granite, the Pompeii Column is thought to have been a present from the people of Alexandria to Emperor Diocletian. The majority of the remains found around the column can be seen at the Greco-Roman Museum. At the top of the hill lies the entrance to the Kom al-Shuqafa Catacombs dating from the first and second centuries. They have been discovered by chance at the beginning of 20th, century.
