From the pass, one can see all the way south over the Indus valley to seemingly endless peaks and ridges of the Zaskar range, and north to the giants of the Saser massif. Nubra Valley is popularly known as Ldumra or the valley of flowers. It is situated in the north of Ladakh between the Karakoram and Ladakh ranges of the Himalayas. The average altitude of the valley is 10,000 Ft. above sea level.
- We drive to Hunder where you have opportunity to ride on a bactrian camel (double humped) amidst the sand dunes of this high-altitude desert with snow-capped mountains on the horizon. - On a sunny day the reflection of the sky makes the color of lake look turquoise blue in contrast with the earthy mountains to make pictures look unreal and surreal.
